

Why technology is dangerous

- Unrestricted access to information
- Constantly evolving
- Millennials
- Stranger Danger??

Cyberbullying

- Harassing, threatening or intimidating behavior via e-mail, instant messaging, chat rooms, cell phones or other forms of digital technology.
- Cyberbullying is often done anonymously, in turn causing additional stress to the victim.

Cyber Mobbing

- This is a type of cyberbullying that involves a group sharing the same malicious mindset to harm.
- Example:
 - Beaverton Ratchet
 - F*&^ BHS
 - SHS Clowns
- Some turn into STAT cases

Sexting

- The act of sending an image, video or text message of a sexually explicit nature via electronic device.
- **IMAGES NEVER GO AWAY**- Guys do not delete
- Crimes
 - Harassment ORS 166.065
 - Encouraging Child Sexual Abuse I & II ORS 163.684 & ORS 163.686

Sextortion

- A form of sexual exploitation where people are extorted with a sexually explicit image or video of themselves typically acquired by a criminal through digital technology.
- Your child does not need to have had previous contact with suspect -think Nigerian scam of nudes
- Think of your webcam as an open window.

When do I talk to my child about this?

As soon as you provide your child with a phone or any way to access the internet. Once you do, know you have invited strangers into your home.

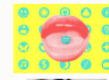

So what do you worry about

- Monitor friends of your kids, **KNOW THE WAY THEY CONDUCT THEMSELVES**
- Monitor all accounts
- Have your kids passwords and check daily to make sure they were not changed.

Useful slang to know

- **Smash or No?** - sex or not
- **Turn up**- state of being wild and crazy
- **Ratchet**- insulting slang for poor, trashy or dirty
- **HMU** - Hit me up
- **PIF**- Marijuana
- **Yae** - Crack or meth
- **h** - Heroin
- **Molly**- Ecstasy or MDMA
- **Skittles** - Multiple drugs in one bowl
- **O** - Ounce of drugs
- **Honey Oil, Dabs, Shatter**
- **Swishers**
- **Dime** - 1 gm = \$10 marijuana
- **Dub** - 2 gm = \$20 marijuana
- **Edibles** - cookies, fudge, rice cereal treats and candy
- **Bar** - Xanax
- **Kratom** - Stimulant, Relaxation, Euphoria - in small doses. In high doses, sedating, acts like an opioid (pain relief), depends on the strain, Red (relax), White (stimulant) or Green (mixture of both) said to be addictive

What can you do?

- **Require** your kids to give you their passwords
- Have fake accounts to monitor them
- No phone after 9pm
- No electronics outside main living areas
- Check their phone- let them know it is not private and you will check it and the records.
- Contact your wireless provider and put parental restrictions in place.
- Disable the camera
- Any device that has Wi-Fi can access social media apps, call and text.

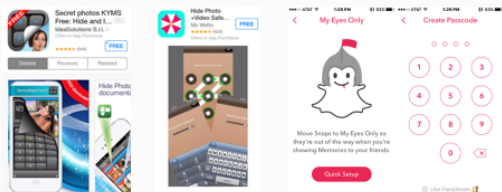

Ways to Monitor Accounts

- Wireless provider parental controls
- Set controls on your home router
